Welcome from the Rector

“We are proud to welcome all international and exchange students, who come to study at the Politecnico di Milano each year. Your presence is an important international element on campus, that also enriches Italian students and staff. I hope you will experience both personal and academic growth during your stay and we are confident that your studies at the Politecnico di Milano will make a difference in your professional future and way of living.”

Prof. Giulio Ballio

Reaching Politecnico di Milano

Airports and railways

The city of Milan is easily reachable by both airplane and train.

There are three main airports in Milan and its surroundings:

Linate, Malpensa, Orio al Serio.

Linate and Malpensa Airports www.sea-aeroportoimilano.it

Orio al Serio airport www.orioaeroporto.it

From the airports, you can reach Milan as follows:

Linate Airport

- Bus to **Centrale** Railway Station every 30 minutes.
Tickets on board or at Agenzia Star Fly Linate.
- Bus no. 73 to **Piazza San Babila** every 10 minutes.
Tickets sold in bars, newspapers kiosks or tobacconists.

Malpensa Airport

- Train Malpensa Express to **Cadorna** railway station every 30 minutes from Terminal 1.
- Malpensa Bus Express to **Centrale** railway station twice per hour (at minutes *.35 and *.55) from Terminal 1 with stop at Terminal 2. Tickets sold on board.
- Shuttle Air Pullman to **Centrale** railway station every 20 minutes from Terminal 1, exit 6. Tickets sold on board.
It stops also at Terminal 2.

Orio al Serio Airport

- Bus to **Centrale** railway station, 27 daily trips.
Tickets on-line or at Biglietteria Autostradale in the airport.
- Bus to **Lambrate** railway station, 18 daily trips.

Milan is served by both Ferrovie dello Stato and Ferrovie Nord.

Ferrovie Nord

- It is a commuter rail and provides service to Milan surrounding areas and neighbouring cities such as Como and Varese. It also connects the city centre with campus Bovisa. It can be boarded at Cadorna Station (reachable by

metro - red and green lines). Visit www.ferrovienord.it to check destinations, fares and timetables.

Ferrovie dello Stato

- It is the national railway transport service. The main station is Stazione Centrale (reachable by metro - green and yellow lines); trains can be also boarded to in Stazione Garibaldi and Stazione Lambrate (both reachable by metro - green line). Stazione Lambrate is the closest to the Politecnico di Milano - Leonardo campus. Visit www.trenitalia.it to check destinations, fares and timetables.

Public transports in Milan

The public transportation system within the city of Milan is run by ATM (Azienda Trasporti Milanesi). It consists of buses, cable cars (TRAM) and subway (METRO).

By visiting the website www.atm-mi.it you can create personalized itineraries. Simply click on “**GiroMilano**” then choose the option you like. There are many options and among them the most useful ones are “Ricerca Indirizzo” for finding out addresses and Calcola Percorso for getting a complete itinerary.

Service runs from Monday to Sunday from 6.00 am to 12.30 pm but some buses provide night service as well.

Fares for all the transportation system are the same.

Tickets are sold in newsstands, bars, tobacconists and vending machines.

Tickets cannot be bought aboard.

Tickets must be stamped at the beginning of the journey; stamping machines are located near the entrance of buses and trams. In metro stations, they are located at the turnstiles.

A urban network ticket costs € 1 and is valid for 75 minutes on all lines but it cannot be used twice on the subway; once you have left the subway station you must have a new ticket for the next metro-trip.

There are also other possibilities:

A 10-ticket carnet: € 9.20

A 1-day travel card: € 3.00

A 2-day travel card: € 5.50

Frequent travellers can buy a monthly pass (abbonamento).

All students under the age of 27 can purchase a student monthly pass at a reduced price. To obtain your “Diurno Mensile” student pass you must go to one of the official ATM points, located near the metro stations of Duomo, Cadorna, Loreto, Centrale, Romolo (opening hours from Monday to Saturday 7.45 am to 7.15 pm), and bring with you

- a passport-sized photo (in colour)
- your matriculation letter, also indicating date of birth

The card is prepared while waiting and students pay € 10 to get their card. Check that the word “STUDENTE” is written below on the left. The cost for the monthly pass (valid for Milan) is € 17. The “Diurno Mensile” student pass can be used all week 24 hours a day on the entire urban transportation system.

Milano has 3 subway lines, each identified with a different colour: red, green and yellow.

There is also a blue line, the so-called Passante Ferroviario. You can use ATM tickets on the Passante Ferroviario trains from Dateo to Bovisa F.M.

With more than 50 urban routes, the bus system may sometimes offer a more direct route than the metro and make people reach areas not covered by the underground.

For more information about prices, schedules and routes please visit www.atm-mi.it

Milan campuses

On the Politecnico website www.polimi.it/english, under the item “About the university” you will find “Campus tour” with detailed information on how to reach all Politecnico Campuses. Here is just a hint to reach the Milan campuses.

Leonardo Campus

It is situated within the city of Milan:

- take Metro 2 – green line – and get off at stop Piola. Campus Leonardo is a couple of minutes walking distance from the metro.

Bovisa Campus

It is located north-west of Milan, not far from the city-centre.

- take the metro
 - red line** to **Porta Venezia**
 - or **green line** to **Porta Garibaldi**
 - or **yellow line** to **Repubblica**
- at one of these metro stations take the Passante Ferroviario (**or blue line**) to Bovisa.

Once you go out of Bovisa station:

- turn right to reach the Engineering Campus, via La Masa 34
- turn left to reach the Architecture and Design Campus, via Durando 10.

Living in Italy

Residence permit

If you are a **EU citizen**, after three months in Italy, you have to register to the “Anagrafe Office” of your residence Municipality.

You need

- a copy of your passport or ID card
- one matriculation letter issued by the Politecnico di Milano
- your health insurance
- four passport sized photos.

You will be asked to fill in the request form for “Attestazione iscrizione anagrafe” for a citizen of the European Union.

You may be asked to pay a small amount of money.

If you are a **citizen of a non-EU country**, you will be required to fill in the so-called **KIT TO APPLY FOR A RESIDENCE PERMIT**. This will have to be handed back to the post office together with the following documents:

- a valid passport with visa
- a photocopy of your passport with visa
- four passport sized photos
- one matriculation letter issued by the Politecnico di Milano (the duration of your degree course has to be shown!). The letter has to be stamped by the Italian Diplomatic/Consular mission when the entry visa is issued
- A copy of your health insurance valid for your entire period of stay, validated by the Italian Embassy in your own country.

By entering the official immigration website www.portaleimmigrazione.it and using the codes (user ID and password) written on your receipt, you can check the status of your application. On the same webpage you will be informed about the first appointment for fingerprints and the second one to receive your residence permit. Remember to take with you 4 passport sized photos.

- For more detailed information there is a call center available in 5 languages: English, French, Italian, Spanish, Arabic. The number to be called is: 800.309.309
- For information on the status of your personal residence permit request, the number to be called is: 848.855.888

The cost of the residence permit amounts to:

- Euro 14.62 “marca da bollo” (a stamp that can be purchased at any tobacconist with a “T” sign out of the shop) to be put on the residence permit application
- Euro 30 to be paid at the second step of the procedure, when you give the Post Office the KIT already filled and they send it to the Central Questura in Rome
- Euro 27.50 to be paid at the Post Office to get the Electronic residence permit

When asking for your permit for the first time, please remember to specify it is not a renewal.

In case of **renewal** of the permit documents are the following:

- a valid passport with visa + copy of the page with personal data and dates of validity and expiration of the document
- your original permit
- photocopy of the documentation certifying the availability of adequate financial resources for the validity period of the residency permit
- your transcript of records with proof of 1 exam successfully passed in case of the 1st renewal and 2 exams successfully passed for each successive renewal
- your health insurance.

Codice fiscale

“Codice fiscale” is an alphanumeric identification code issued by the Ministry of Finances. You need to have your own codice fiscale in order to **open a bank account or to sign any contract** (i.e. to rent a flat, to get your student card for public transportations, to have access to mobile phone services and Internet).

To obtain your codice fiscale you have to go to the nearest “**Ufficio delle Entrate**”, according to the area you live in, with a valid document (ID card or passport) and the residence permit if you are a citizen of a non-EU country.

You can find a complete list of all the local offices in the website www1.agenziaentrate.it/indirizzi/agenzia/uffici_locali

- if you are a **citizen of the EU** or of **one of the following countries**:

Andorra, Argentina, Australia, Bolivia, Brazil, Brunei, Bulgaria, Canada, Chile, China (Hong Kong and Macao only), Cyprus, South Korea, Costa Rica, Croatia, Ecuador, El Salvador, Estonia, Guatemala, Honduras, Hungary, Israel, Japan, Latvia, Lithuania, Malta, Mexico, Monaco, Nicaragua, New Zealand, Panama, Paraguay, Poland, the Czech Republic, Romania, San Marino, Singapore, Slovakia, Slovenia, USA, Vatican, Venezuela

you only need to bring your passport

- **otherwise** you must bring your passport and your residence permit.

Insurance and Health

All students at the Politecnico di Milano are covered by an **insurance** that protects them in case of:

- damages against themselves
- damages against other human beings
- damages against any structures of the Politecnico di Milano.

The insurance is valid only within the area of all campuses of the Politecnico di Milano. In case you desire a more detailed insurance, you need to stipulate one on your own.

In order to obtain your residence permit, you need to have a health insurance valid for Italy.

You can either purchase a private health insurance or register to the National Health Service (SSN) to receive assistance.

The subscription to the SSN is not compulsory, however it is strongly recommended because it gives you the possibility to be treated as an Italian citizen for what concerns health. This means you will have the chance to choose a doctor, who will visit you for any problem (free of charge), and who will refer you to specialists (dentists, orthopedics, etc) if needed, as well as prescribe medicines or medical tests for you.

For details, you can contact the nearest public relations office (URP) of any Azienda Sanitaria Locale (ASL).

In order to be registered to the SSN, you have to go to the ASL of your city area. To locate your local office, according to your district of residence, please follow this link:

www.asl.milano.it/indUtiliRicerca.asp

If you are an **EU citizen**, you need to bring:

- your E111/E128 form
- or your European medical card if you have one and ask for a “carnet”.

If you are an **extra-EU citizen**, you need:

- your codice fiscale
- your passport
- your residence permit
- one matriculation letter issued by the Politecnico di Milano
- the receipt of a payment to SSN (whose amount for students is about € 150.00).

How to open a bank account

Banks are open from Monday to Friday from 8.30 am to 1.30 pm and from 3.00 pm to 4.00 pm.

Requirements to open a bank account are:

- To be of age (at least 18)
- To have a valid ID
- To have your codice fiscale
- Not to have gone bankrupt

After having signed the contract, the bank supplies you with your

new account number. This number will be required in any future transaction, so it is essential not to lose or forget it.

The holder of the bank account also receives the following banking coordinates:

- the CIN code, which corresponds to a letter of the alphabet
- the ABI code, which identifies the banking institution
- the CAB code, which distinguishes the agency where the account is opened from the other agencies of the same banking institution
- the IBAN code, which is an alphanumeric information identifying your bank account (CIN+ABI+CAB + the account number).

Before being able to make any transaction, you have to make an initial deposit on your bank account.

Traveller's checks, checks and foreign currency can be exchanged at banks, change offices, at railway stations and/or airports.

Banca Popolare di Sondrio is the official bank of the Politecnico di Milano.

It offers students of the Politecnico di Milano the possibility to open a bank account at very good conditions.

One of the offices of the bank (agency n. 21) is located at Leonardo campus – Milan.

The address is: via Edoardo Bonardi 4 - ph +39 02 2399 3305.

Mail and phone service

“Poste Italiane” is the national mail service: with thousands of offices spread around the territory, it is easy to find a post office when needed. Most offices are open from 8 am to 1.45 pm but some, especially in Milan, are open until 7 pm.

Stamps can be bought not only in post offices, but also in tobacconists and bars displaying a “T sign”.

Some services such as registered mail are offered only by post offices. Apart from traditional mail services, “Poste Italiane” also offers banking services such as checking accounts and pre-paid credit cards.

Please check www.posteitaliane.it for more details about all services offered, for offices location and timetables.

All **phone services** are provided by different companies, which offer various services and rates depending on the time of the day, the type of call etc.

Most houses have a fixed telephone line but mobile phones are extremely popular.

Mobile phone services are also offered by different companies with various rates and promotions.

All companies have the possibility to activate pre-paid cards (the cheapest possibility) or contracts.

To sign up with one of the companies you need:

- A valid ID card or passport
- Your codice fiscale

It usually takes a few hours to activate your card.

You can ask for information on rates, promotions etc. to the shops providing the services. Another alternative are public pay phones, which are identified by round signs with a telephone on them. They are spread throughout the city and in many bars and shopping centres as well as in airports and railway stations. A phone card is required to make phone calls from public phones. Cards can be purchased at newsstands, tobacconists, bars.

Useful telephone numbers

- Carabinieri (police with military and civil duties) 112
- State Police 113
- Municipal Police 02 77271
- Anti-Poison Centre 02 661 010 29
- Emergency Doctor Service 02 34567
- Emergency Health Assistance 118
- Firemen 115

Electricity

In Italy, the electrical current is AC and the cycle is 50Hz 220 V. Plug have round prongs. Foreigners coming from countries, where a different system is in use, need to have adapter plugs and, if necessary, a transformer.

Official holidays and Academic calendar

The **Academic calendar** is available on the following webpage: www.polimi.it/english.

I semester - Courses start at mid-September and finish at the beginning of February.

II semester - Courses start at the beginning of March and finish at the end of June. At the end of each semester, a period of examinations is scheduled, with interruption of classes usually lasting about a month.

There are 12 officially recognized religious or national holidays:

- January, 1: New Year's Day
- January, 6: Epiphany, or the so-called Befana
- Easter Sunday
- Monday of the Angel: the so-called Pasquetta
- April, 25: the anniversary of the end of World War II in Italy
- May, 1: Workers' Day
- June, 2: the anniversary of the proclamation of the Italian Republic
- August, 15: Ferragosto
- November, 1: All Saints Day
- December, 8: The Immaculate Conception
- December, 25: Christmas Day
- December, 26: Boxing Day

December, 7 is St. Ambrogio, the patron saint of the city of Milan. This day is official holiday in Milano only. Each Italian city has its own specific holiday.

Cost of living

Prices in Italy can vary considerably depending on where you live. Tourist areas and the main cities, especially in the North of Italy, are more expensive than smaller towns.

Approximate prices of some items are listed below (in euro):

Milk:	1.60 / Litre
Bread:	3.50 / Kilo
Butter: .	1.70 / 250 gr
Beef:	9.00 / 19.00 / Kilo
Chicken:	8.00 / 10.00 / Kilo
Rice:	1.70 / 2.50 / Kilo
Pasta:	0.80 / 1.20 /Kilo
Mineral water:	0.50 / 0.80 /Litre
Cinema:	7.50
Fast food menu:	5.50
Train ticket Milan - Rome	38.00 (Intercity train), 47.00 (Eurostar train) / one way
Rome and Milan underground ticket:	1.00 (1 journey)

Italian climate

Thanks to the moderating influence of the sea and the protection of the Alps from chilling Northern winds, Italy has a temperate climate. However, the climate varies considerably from North to South. Winter is very cold in the Alps, cold and foggy in the Po area and the central Apennines, mild in the South or along the coast. Summer is very hot, especially in the South, and usually dry. Sea breezes mitigate temperature along the coast while in the mountains the climate is pleasantly cool.

Libraries

At the Politecnico di Milano there are two main libraries for the Schools of Architecture and two for the Schools of Engineering. Each department also has its own library.

These libraries are located as follows:

- Main Library for School of Architecture
Campus Leonardo: via Ampere corner via Bonardi
- Main Library for Schools of Engineering
Campus Leonardo: Building Rettorato, ground floor
- Main Library for School of Architecture
Campus Bovisa: via Durando 10
- Main Library for Schools of Engineering
Campus Bovisa: via Lambruschini 15

At the main libraries you can find information on books located in all the libraries of the campuses.

Students need their student card in order to borrow books; they are allowed to borrow one book each time and to keep it for maximum one week.

The library system of the Politecnico di Milano also offers many other services:

- The consultation of the OPAC (on-line Public Access Catalogue)
- The ILL (Inter Library Loan)
- The consultation of more than 1,000 e-books about different fields (architecture, civil, chemical, mechanical and electronic engineering, economics and finance and many more). In order to consult e-books you have to be assigned a password by the library service.

You can find more information about the library system at: www.biblio.polimi.it, where you can download the brochure "Using the Politecnico Libraries" in English.

Another library is the **ISU library**, situated in via Golgi 20.

Students need their student card to borrow books, no more than

four volumes each time for a maximum of three months. Students will be enrolled the first time they ask for a book.

Classrooms

Classrooms at the Politecnico di Milano are usually identified with a letter and 2 numbers, i.e. N.1.6.

The letter indicates the building, the first number is the floor, the second number is the class.

The complete list of classrooms and computer rooms is available at: *www.polimi.it*.

Click on “studenti iscritti” in the menu on the right side of the page, then click “cerca aule”. Choose the campus on your left and:

- click on the kind of room you are looking for on the menu at the bottom of the page to see the complete list on your video
- write the name of the room to find where it is located.

Computer facilities

All students of the Politecnico di Milano are assigned an e-mail account, created according to the following rules:

- Name + Family name
(i.e. Mario Bianchi, mario.bianchi@mail.polimi.it)

To read messages received through this account you have to:

- access the webpage *www.polimi.it*
- click on Webmail
- insert your student number and your password you received when officially enrolled.

This e-mail address is used by the Politecnico di Milano to send its students all information concerning didactic, cultural and extra-curricular activities of the institution.

Both Leonardo and Bovisa campuses have computer rooms available to students, whose access is free. Students just need to show their student card to enter.

Students' restaurants

Bars are located in both Leonardo and Bovisa campuses:

- a bar with canteen facilities is located in campus Leonardo, below the terrace, in front on the study hall called "Acquario"
- another bar, where you can buy pizza and drinks, is located on the terrace in front of the North Building in campus Leonardo
- in campus Bovisa, the bar is located in the campus area in via Durando 10.

A restaurant/canteen service ("mensa") is available to all students in two different locations near Leonardo campus:

- Mensa Universitaria, via Golgi 20 (open from Monday to Friday from 11.45 am to 2.00 pm)
- Casa dello Studente, viale Romagna 62 (open from Monday to Friday from 6.30 to 9.00 pm; Saturday, Sundays and holidays from 12.00 to 2.00 pm and from 7.00 to 9.00 pm)

Another canteen service is open in Bovisa campus, inside the School of Engineering (via La Masa).

To access the service you must get your card at ISU, Ufficio Servizi Collettivi, via Golgi 40 (open from Monday to Friday from 9.30 to 12.00 am). You will need:

- a passport sized photo
- your student card.

Sports and Students' Associations

Many Students' Associations exist and they organize both cultural and sports activities. All students can participate in those activity. Some of the most relevant examples are given by the following associations:

ESN (Erasmus Student Network) and ESEG (Exchange Students and Erasmus Guide). These networks are apolitical associations of students with the aim to support student exchange and international students, supplying information and any kind of help that can be voluntarily given by its members. Both are officially recognized by the Politecnico di Milano.

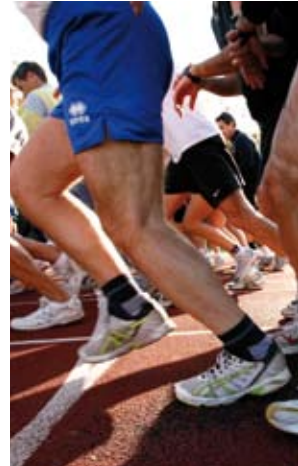

Goals of the Associations:

- improving the social integration of foreign students at the host institution
- taking advantage of exchange students' experience by making them active in the network
- continuously contributing to the evaluation of exchange programmes based on the experiences of former exchange students.

In order to pursue these goals during the academic semesters of every year, ESN and ESEG organize cultural trips around Italy, guided visits to the most famous monuments in Milan, competitions, conferences and parties in various clubs almost every day of the week.

If you apply to one of the associations, you can also have the possibility of receiving discounts in many bookshops, fotocopisterie, phone cards, cinemas, cafés etc.

Both associations also help incoming students in finding an accommodation.

Comitato Universitario Sportivo C.U.S. (University Sport Committee)

Students sport activities in all the campuses of the Politecnico di Milano except for Como are organized by the University Sport Committee (C.U.S.).

Enrolment at the C.U.S. costs 10 €: an insurance for all the activities organized or allowed is included.

Members of the C.U.S. can either take part in sport courses or participate to the competitions organized.

For all the information about activities and enrolment at the C.U.S. you can

- go to the C.U.S. office at “Campus Giuriati”, which is located in front of the Department of Electronics and Information, via Golgi corner via Pascal (office hours: Monday to Friday, 9.30-13.30, tel. +39-02-706 019 03)
- contact the Centro Universitario Sportivo - CUS Milano, Circonvallazione Idroscalo 11, Segrate (Milano)

tel +39.02.7021141 office hours: Monday to Thursday 10-17,
Friday 10-14

- visit the C.U.S. website *www.cusmilano.it*
- visit *www.polimi.it*, click on “Didattica” and then on “Altre Informazioni”.

All students enrolled in the C.U.S. can receive the card to enter the “Campo Giuriati” sport area for free.

The Politecnico di Milano also offers the following sports opportunities:

- a few very important activities supported directly by the Sport committee of the Politecnico di Milano. Those activities have been started in the sailing field: different crews of the Politecnico di Milano have taken part in international races. The Politecnico di Milano also has an agonistic team in cross country race and official teams in football, basket and volleyball
- a fitness gym located at Casa dello Studente, via Romagna 62 offering a wide range of resistance equipment. The access is free of charge to all students.

Students of the Politecnico di Milano also organize other kinds of activities, such as participating in international, national or local competitions in several sports (soccer, cross, sky, rugby).

Educafé

Educafé is situated on the ground floor of the North Building at the Leonardo Campus.

It is a place where students can:

- use the computer facilities for study or leisure
- participate in cultural events
- watch videos or read books
- meet and have a coffee.

The access to the internet point and the cultural events is free for all the students. For more information please refer to www.educafe.polimi.it.

Job possibilities

Milan is one of the Italian cities that provide most of the possibilities of employment.

In finding a job, European Union and non-European citizens are subject to different laws: Italian and European Union citizens share the same rights, while non-European citizens can sign contracts that allow them to work for a maximum of 20 hours per week, until their residence permit expires.

Knowledge of the Italian language is generally required to get a job. However, speaking other languages is usually positively evaluated in reviewing your CV.

Some important centres of the Provincia and Comune di Milano for finding a job are:

- **Informagiovani**, an institution of the Comune di Milano, offers different services to help young people looking for a job. It also provides information on studies in Italy, cultural and social activities, tourism.

Address: via Dogana 2, Milan

Opening hours: Monday - Thursday 10.00 am – 6.00 pm
ph 02 8846 8390/1 - fax 02 884 65762
e-mail: informagiovani@comune.milano.it
